

What are you going to do this week ?

Our Activity Schedule changes very often and some crafts described here might not be running this week. We apologize for the inconvenience.

Only the activities on the schedule in the activity guide will be running.

If you would like to see what a craft looks like, please stop by the craft room, we can show a sample to you.

You need to sign up in advance for the crafts and some activities: they are stated on the schedule in your activity guide.

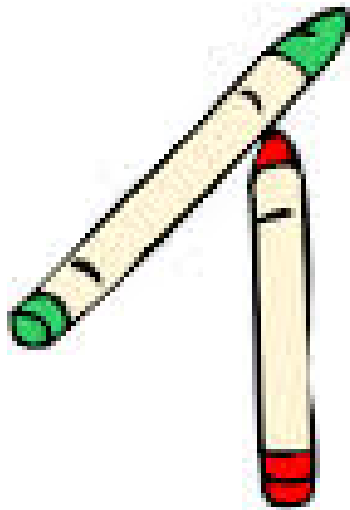

Age limits act as suggestions only depending upon your child ability and yours (you might need to help a lot!)

Of course, adults are welcome to any craft and kid activity !

Please remember that unattended children will be fed to Mr Bear in the Games Room
Children under 13 years old must be accompanied by an adult

Crafts

THE BASKET CHALLENGE

STEP 1 PICK UP

On the scheduled day, pick up your kit from the REC Staff. You want to pick it up on Monday to allow your project to dry.

STEP 2 IN YOUR UNIT

This is a team work; the whole family has to participate: one to blow the balloon, one to roll the rope, one to master the ModPodge, one to paint and of course one to give the instructions!

STEP 3 RESULTS

Bring your creation back to the REC centre on the scheduled day. You have to bring your basket still stuck on the balloon. We will poke the balloon together. This is the first challenge! A prize will be given for aesthetic: form, colour, originality...
