

RCI Quick Reference Guide

Incoming RCI guests will be assigned an inventory type by RCI, for example '11X', '1B2', '2SS', etc. This is not a specific unit number, but indicates a unit type and check-in day, as noted in the tables below. When booking by phone, please request the inventory code specific to your selected resort and preferred building or date of arrival.

RCI Unit Codes (Effective January 2022)
